**Explanation of Fiscal Impact**

**State Expenditure**

This bill provides for the issuance of Virginia Tech special motor vehicle license plates. Pursuant to Section 56-3-8100, the South Carolina Palmetto Chapter of Virginia Tech will deposit a \$6,800 application fee used by the Department of Motor Vehicles to defray the initial cost of producing the special license plate. The biennial fee for these license plates is the regular registration fee set forth in statute plus an additional fee requested by the organization. Since both the initial cost of producing the special license plate and the regular license fees are collected, we anticipate no impact on State expenditures or revenue.
