**Explanation of Fiscal Impact**

**Introduced January 10, 2017**

**State Expenditure**

This bill requires common interest community developers to transfer control of the executive board to unit owners. The prescribed schedule requires at least twenty-five percent of the executive board be elected by the unit owners no later than sixty days after thirty-three percent of the units are conveyed. The percentage of unit owner's voting interest increases to at least fifty-one percent when ninety percent of the units that may be created are conveyed. This bill would have no expenditure or revenue impact on the General Fund, Federal Funds, or Other Funds. However, if any additional hearings or trials would be held as a result of this legislation, we anticipate that the Judicial Department could absorb these expenditures within current appropriations.
