Local Revenue	\$0	\$0

Fiscal Impact Summary

Senate Bill 1078 will increase General Fund expenditures by \$50,437 in FY 2016-17. This bill will have no expenditure impact on Federal Funds or Other Funds. However, the expenditure impact on the Department of Mental Health is pending, contingent upon a response from the agency. We anticipate no expenditure impact on local governments.

Explanation of Fiscal Impact

State Expenditure

This bill amends the law enforcement and public safety code to establish mental health and addiction disorder training requirements for Class 1-LE law enforcement officers, creates the South Carolina Technical Assistance Center Council, and provides for the establishment of at least one crisis intervention team in each county.

Law Enforcement Training Council. The agency reports that the implementation of this bill will increase General Fund expenditures by \$50,437 in FY 2016-17. These expenditures will fund an Administrative Coordinator for the new South Carolina Technical Assistance Center Council and operating costs for the new mental health and addiction disorder training program for Class 1-LE law enforcement officers.

Department of Mental Health. The department was contacted and the expenditure impact on the agency is pending, contingent upon a response.

State Revenue

Local Expenditure

The Revenue and Fiscal Affairs Office contacted twenty-three county governments and the Municipal Association of South Carolina regarding the expenditure impact of this bill. Richland County indicates that any expenses associated with this bill can be absorbed within the county's budget. The Municipal Association indicates that this bill will have no expenditure impact on municipal governments. Based on these responses, we anticipate no expenditure impact from this bill on local governments.
