Fiscal Impact Summary

This bill will have no expenditure impact on the General Fund, Other Funds, or Federal Funds for the Department of Health and Environmental Control, as the agency currently regulates nursing home staffing ratios. The expenditure impact on the Department of Mental Health is undetermined, pending a response from the agency.

Explanation of Fiscal Impact

Introduced on January 10, 2017

State Expenditure

This bill increases the minimum number of non-licensed nursing staff required to provide care in nursing homes during second and third shifts. Under current law, the minimum patient-staff ratio of 9 to 1 is required for shift 1, 13 to 1 for shift 2, and 22 to 1 for shift 3. The bill would require a minimum ratio of 9 to 1 for all shifts as a condition of licensure.

Department of Health and Environmental Control. The department indicates this bill will have no expenditure impact on the General Fund, Other Funds, or Federal Funds, as the department currently regulates nursing home staffing ratios. The bill does not impact the department's current oversight procedures or require any additional agency responsibilities.

Department of Disabilities and Special Needs. The department indicates this bill will have no expenditure impact on the General Fund, Other Funds, or Federal Funds.

Department of Mental Health. The expenditure impact on the department is undetermined, pending a response from the agency.
