Explanation of Fiscal Impact

Signed by Governor on April 26, 2019

State Expenditure

This bill extends the provisions in Act 138 of 2016. This bill requires that coal combustion residuals that result from an electric utility, an electric cooperative, a governmental entity, a corporation, or an individual producing electricity for sale or distribution by burning must be placed in a Class 3 solid waste management landfill. Exceptions are coal combustion residuals that are located contiguous with the electric generating unit, intended to be beneficially reused, placed in beneficial use, or placed in an appropriate landfill owned or operated by the entity that produced the residuals. The provisions of Act 138 of 2016 were set to repeal five years from the Act's effective date, March 2, 2021.

The Public Service Commission and Office of Regulatory Staff. This bill extends the provisions of Act 138 of 2016. As ORS and PSC currently administer the provisions of Act 138 of 2016, the continuation of these actions will not have an expenditure impact to either agency's General Fund, Federal Funds, or Other Funds.
