State Expenditure

This joint resolution exempts Townville Elementary School from the requirement to make-up full days missed due to snow, extreme weather conditions, or other disruptions requiring schools to close.

The State Department of Education indicates the forgiveness of school days for a tragic event would not increase or decrease the total amount expended by the state to support the students in the impacted school.

Local Expenditure

This joint resolution exempts Townville Elementary School from the requirement to make-up full days missed due to snow, extreme weather conditions, or other disruptions requiring schools

to close. Students attending this school will not be required to make-up the five school days missed in Anderson County following the tragic events that occurred on September 28, 2016.

The Anderson Four district officials estimate the school's expenditures would increase by \$60,000 for each day they are required to make up. Of this amount, \$53,000 is for the additional salaries and fringe of teachers and staff.
