Senate Bill 413 amends Section 40-43-190 and Section 40-43-200 relating to the administration of vaccines by pharmacists. The bill creates the Joint Pharmacist Administered Vaccines Committee and prescribes its membership, duties, and responsibilities. The Committee is to recommend which specific vaccines are appropriate for administration by a pharmacist without a written prescription, and to submit proposed written protocols for the administration of each recommended vaccine. The bill authorizes the Board of Medical Examiners to issue protocols for vaccine administration and further specifies the requirements for pharmacists seeking authorization to administer approved vaccines.
