Explanation of Fiscal Impact

Introduced on March 16, 2017

State Expenditure

This bill tasks the Department of Administration (DOA) to prepare a uniform standard design of the state tree for official purposes. DOA is directed to cause a design or designs of the palmetto tree to be prepared, and shall select one design for submission to the General Assembly. In addition, DOA may solicit public input prior to selecting a design submission to the General Assembly.

At present, there is no uniform standard design of the palmetto tree for official purposes.

DOA indicates that they have no experience in this type of design work and have no way to assign an expenditure estimate to the requirements of this bill. Therefore, the expenditure associated with the preparation of a standard palmetto tree design is undetermined.
